

## Highly Profitable Floating Event Base | ID: 900

This floating business has been operating successfully since inception in 2018 on a very professional basis.

The current owner works on and in the business and is supported by a very motivated professional marketing and booking team who have successfully captured advanced booking in excess of \$500,000 with deposits held. This is not accounting for the weekend special harbour entertainment cruises which are sold to individuals who respond to direct marketing promotions.

An update to the information about this business, despite the effects of the COVID this year, bookings are currently sitting at only 10 bookings less than double that's right, double last years bookings for the same period which owners estimate will take their profitability to around \$1,000,000

New Years Eve 2019 alone accounted for \$70,000 in bookings, this should increase for 2020 with some of the venue closures.

The business has been set up to operate under management and all staff are prepared to continue in the business as required. The owners are prepared to offer a suitable hand over period of 2 weeks but will remain
